Dear Community Members,

I know it's short notice, but I also know the mentally ill wandering our streets and cycling in and out of the system are of great concern to many of you. This is your opportunity to discuss this with the professionals tasked with addressing those in crisis our communities. Members of your Los Angeles Police Department, Department of Mental Health, and others will be giving updates and answering questions.

1. Please RSVP to this email address.
2. If you would like to ask a question, please make sure you respond to this email with your question. We may also take audience questions in real time, but in the event we are pressed for time we will draw from a pool of questions submitted in advance.

Attached please find a flyer for a community forum **next Wednesday (February 3rd) at 5:30pm at the Majestic, 650 S Spring Street**. As always, email me or call with any questions!

Kind regards,
